GRANT REQUEST FOR FUNDING PROPOSAL

THE TASK

The Filipino American Legal Defense and Education Fund in relaunching their legal service programs was seeking to secure their first public funding contract. With limited time, we were tasked with creating a comprehensive grant proposal which included programming, budget, and rationale for funding.

OUTCOME: SECURED \$25,000

The Filipino American Legal Defense and Education Fund was awarded a \$25,000 grant by the Coalition for Asian American Children and Families, the largest award in their organizational history, to execute culturally responsive legal services across New York City and State with specific programming in immigration, labor, and civil rights.
